## December 2013 Newsletter

### Growing in Newberg

We certainly agree with Newberg's city motto: "A Great Place to Grow". In mid-November, Virginia Garcia received an \$850,000 award from the U.S. Department of Health and Human Services to fund a clinic in Newberg.

The Newberg Clinic will provide high-quality health care services to uninsured residents and migrant farmworkers in Yamhill County by offering integrated primary care, behavioral/mental health, and oral health services in a unique setting that includes public health, substance abuse, and onsite WIC services.
