% Change in New Cases (previous 7 Days)	65.1%	Downtrend	no trend	Downtrend

## COVID-19 SCREENING UPDATE

Due to the high demand for COVID-19 tests, Virginia Garcia will only provide screening for established Virginia Garcia patients or individuals who work as migrant or seasonal farmworkers.

**If you want to be screened for COVID-19 at a Virginia Garcia clinic you must first schedule an appointment.** If you are a patient or work as a migrant and seasonal farmworker and would like to schedule an appointment at one of our clinics, please contact the clinic nearest you. **Please do not come to a clinic without an appointment.**

If you are not a Virginia Garcia patient, but would like to become one, please contact Member Services at 503-359-5564, option 3 to establish care. A telehealth visit with a Care Team is required prior to a COVID-19 test.

Free COVID-19 screenings and flu vaccinations are available to the public at our community outreach events taking place around Washington and Yamhill counties. You do not need to be a patient and no appointment is necessary to receive care at these events.

## VG and the Flu Season

Saturday flu clinics are scheduled for the entire month of November.

**Upcoming this weekend, Saturday, November 21:**

Cornelius Wellness Center  
10a - 2pm

**Appointments are required for a vaccination. Please contact the clinic directly to schedule an appointment.** You can find [clinic contact information here](#).

For a complete listing of available Clinics and their locations, please [visit our website](#).

## OUTREACH UPDATE

The Mobile Clinic Team held its last community event of the season this past Tuesday in McMinnville.

November was a busy month.

Covid-19 screenings completed: 397

Covid-19 screenings completed May - Nov: 2,892

Flu vaccinations given: 147

The CoRe Team will be back out in the community in January, providing free Covid-19 screenings and flu vaccinations.
