

# COVID-19 WEEKLY UPDATE

VIRGINIAGARCIA.ORG/CORONAVIRUS

## COVID-19 Updates & Data as of November 13

Governor Brown held a press conference this afternoon providing information and plans of action in response to the continuing increase of COVID-19 cases.

A statewide freeze has been put into place and will run from 11/18/20 to 12/2/20. Multnomah County (and likely Washington County) will be in the freeze for four weeks (11/18/20 to 12/16/20).

Actions included in the freeze:

- Pharmacies at 75% with curbside pick-up advised.
- Limit all bars and restaurants to takeout only.
- Close all gyms.
- Prohibit indoor and outdoor gatherings to no more than six people from two different households.
- Limit capacity at grocery store to 75%, and allow churches and faith groups to accommodate indoor crowds no larger than 25 (50 in outdoor settings).
- Mask mandate for all times except when eating or drinking.
- Work from home as much as practicable.

The new freeze will not apply to barber shops, hair salons or homeless shelters. Outdoor recreation and sports programs, including Pac-12 college football games, are also exempt. Similarly, childcare programs and K-12 schools are not included in the new freeze.

Oregon is also advising new travel restrictions in coordination with Washington and California. In light of the concerning rise of coronavirus infections, the West Coast states have issued a travel advisory recommending 14-day quarantines for all inter-state and international travel, along with asking residents to stay local.

## COVID-19 SCREENING UPDATE

Due to the high demand for COVID-19 tests, Virginia Garcia is will only be able to provide screening for established Virginia Garcia patients or individuals who work as migrant or seasonal farmworkers.

**If you want to be screened for COVID-19 at a Virginia Garcia clinic you must first schedule an appointment.** If you are a patient or work as a migrant and seasonal farmworker and would like to schedule an appointment at one of our clinics, please contact the clinic nearest you. **Please do not come to a clinic without an appointment.**

If you are not a Virginia Garcia patient, but would like to become one, please contact Member Services at 503-359-5564, option 3 to establish care. A telehealth visit with a Care Team is required prior to a COVID-19 test.

Free COVID-19 screenings and flu vaccinations are available to the public at our community outreach events taking place around Washington and Yamhill counties. You do not need to be a patient and no appointment is necessary to receive care at these events.

## POST-TEST EDUCATION VIDEOS

### **VIRGINIA GARCIA POST-EDUCATION VIDEO** **WHAT TO DO WHILE YOU WAIT FOR YOUR RESULTS**

*The Post-Screening Education Video is available in both English and Spanish on Virginia Garcia's YouTube channel. A link will be texted to every patient that comes to our clinic or a VG-sponsored community event after they have been screened.*

*The video was produced by Vive Northwest Media.*

Making sure individuals understand what to do while they wait for the results of their COVID-19 test can be a challenge.

Up until this week, individuals that are tested either at a VG clinic or at one of our free community events are provided with a paper packet of information, but now that packet has gone digital.

The 2-minute videos provide quick and easy information on what to do while waiting for test results, how long the results will take and what to do if you don't hear from someone. It is available in English and Spanish.
