

COVID-19 WEEKLY UPDATE

VIRGINIAGARCIA.ORG/CORONAVIRUS

VG Screening Results & Data as of July 31

Our Latinx patients still represent the majority of our positive cases at 84.4%, while only accounting for 62.7% of the total number tested. Result wait times from LabCorp have improved over the past week.

Below are screening results for Virginia Garcia

	Negative	Positive	Pending	Total

Virginia Garcia Screening Criteria

Virginia Garcia is now providing screening services to anyone that would like to be tested for COVID-19 - regardless of symptoms. Enrollment as a VG patient is not necessary but an appointment for screening is required. Information on how to schedule an appointment is below.

Virginia Garcia Screening Information

Virginia Garcia screening sites are open to the public. A test can be ordered for anyone that would like to be screened at all primary care sites.

An appointment is required for screening.

To schedule an appointment, contact one of the numbers listed below.

Non-VG Patients: 503-359-5564 and press option 3

VG Patients: Contact your care team directly

Outreach Updates

Screening continued this week with a community event in partnership with Western Farmworkers Association and visits to two camps. In total, more than 120 individuals were screened.

The outreach season is beginning to wind down. August 11 the team will head to Yamhill County for a mass public screening event in cooperation with the Housing Authority of Yamhill County.
